Gestalt

Noun. An organized whole that is perceived as more than the sum of its parts.

This Concept has always fascinated me.

Many different kinds of groups can be Gestalts: families, fraternities; hopefully some day the World. The bottom line is that when acting together, we can accomplish much more than if everyone did the same amount of work, but alone.

As Master, I get to see it in action. We currently have thirty or so Brothers actively contributing their efforts. Each is successful in his own right, but laboring as one we are accomplishing so much more. Our Energies build on one another; our Ideas intertwine and or our Potential is growing exponentially.

Brothers, there are 145 of us. Not everyone has the time to be an Officer, but what we can do is to reflect and see what contribution we can make to our Lodge. Perhaps it is mentoring a new Brother, contributing to the Charity fund, or just attending a meeting or calling a sick Brother.

Let's see how far we can tug at our Cable tows; those amazing cords that are always able to give a just little bit more every time we think we have stretched them to their limits~

If every one of us gave just one extra offering, think of what we could Create!

Raul Maldonado –
Master of the Lodge
