# MASTER'S MESSAGE

“Nobody Cares how much you know until they know how much you Care.”

Brothers,  
Each action we take reveals to the world how much something means to us as a person. I have learned that my actions speak louder than words, especially when acting as a Mason.

I am far from the most brilliant man ever to walk the earth, but I care a tremendous amount and work really hard for whatever it is I think is worth striving for.

Our Lodge is one the best examples that I can think of. The actions we take to make the craft better is what cements us. Each Brother who pays his dues, sends an email out or just calls another Brother to say some kind words, is why this is all important.

We are a part of a fraternity that has given so much to me and to many of the men I know. It has given me some of my closest relationships and new ways to bond with the people I already care deeply for.

I am suggesting to you to remember to take pride in all that you do. Everyday. Take pride in your work, in your relationships, in your leisure activities. As the saying goes, if you're going to do something, do it right. People will see your hard work, ethic and heed your lesson. While doing that, realize, it matters.

Br. G. Daniel Lukowiak  
Master of the Lodge
