MASTER'S MESSAGE

"If the doors of perception were cleansed every thing would appear to man as it is, Infinite. For man has closed himself up, till he sees all things thro' narrow chinks of his cavern."

— William Blake

My Brother,

Everyday we look at the world through the lens which we are provided through a makeup of experience, family, friends, good times, bad times, media, and all sorts of pivotal moments.

As you opened the Trestle Board, what were your thoughts? What was the perception you had as you saw the stairway leading to the door of our own lives? My hope is that you proceeded with interest. My goal as Master is to captivate you the way our craft has captivated me.

We are hereby challenged to open our perceptions of the world. To find the meaning you have been looking for, consciously or not, and to expand on what you have already found.

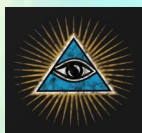

This is not a typical Master's message is, but the words are straight from my soul to yours in an attempt to expand on what and who we are. What we take for granted and what we often overlook. Take in what is happening. Take a deep breath and smile.

This breaking of tradition is meant to have us all thinking esoterically about the craft, our lives, and relationships. Let us think about what it is that we think we know and challenge it. To explore our life, feelings, and emotions. Break past the day to day and really explore what it is that makes us who we are.

Let us take this journey together.

Br. G. Daniel Lukowiak

Master of the Lodge
