MASTER'S MESSAGE

'Know Thyself'

My Brothers,

My message this month refers to the symbol on the front of our Trestleboard.

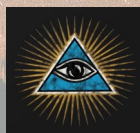

'Know Thyself' is incredibly dynamic when you stop to think about it. The deep reflection into oneself; our inner soul, comprised of our good, bad and ugly, is often hidden away behind the veil of our ego. Therein lies our deep experiences and traumas that are locked away from our minds and hearts. Yet the search of our inner house, walking those long corridors and opening those locked doors is the real practice to 'Know Thyself.'

The Left Hand has long been recognized as a symbol of justice. Unlike the right side of man, the left is impartial. It is also the closest to the heart, hence the reason we vote with it.

The Phases of the Moon have strong effects on our world. It causes not just the tides to ebb and flow, but also the moods of animals and men.

The Third Eye, the esoteric symbol of the speculative invisible eye, gives us perception beyond the ordinary. Though it lives in all of us, like all things worth while in life, it is a long process to be able to see life through it. Once this new sight begins, there is no going back.

Br. G. Daniel Lukowiak
Master of the Lodge
