MASTER'S MESSAGE

"We all die. The goal isn't to live forever. The goal is to create something that will."

-Chuck Palahniuk

My Brothers,

Freemasonry is one of those creations that should live forever. For it to do so, it needs You & I. Our hard work, love and perseverance that we put into it gets passed onto our new Brothers who knock on the door of the Lodge.

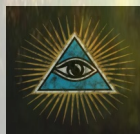

Our one and only true finite resource is time. Every second that passes is another that is etched into the fabric of space and time. As such, our labors are constantly being added to infinity. It is a beautiful thing.

How we use our time is what defines us.

We often forget how impactful our actions are and how fragile life can be. All the more reason to seize the opportunities presented to us. Make those interconnections, reflect each day and look at what we have accomplished. Grow, cherish, learn, laugh and work as men, as family, as Masons.

As Masons, we are given the inestimable gift of being something greater than ourselves. Having the opportunity to use our time for a greater good is a glorious way to live.

Br. G. Daniel Lukowiak
Master of the Lodge
