MASTER'S MESSAGE

Leadership is the ability to inspire a team to achieve a certain goal. It's usually discussed in the context of business, but leadership is also how you, as an individual, choose to lead your life. The true leadership definition is to influence, inspire and help others become their best selves, building their skills and achieving goals along the way. - Tony Robbins

It is my belief that anyone can be a leader, but not everyone chooses to. Some are given the task by life's own will. The true trait of a leader is courage. Courage to stand up for their convictions, courage to take ownership of their mistakes, courage to sacrifice oneself for the team.

Being the leader does not mean you are the boss. It means we are the person that people look to for guidance and who keeps the team together.

We need to act with passion & conviction for ourselves and others.

As Masons we have the capability and responsibility to be leaders in our lives and communities. Do not take this opportunity for granted. Being able to touch lives, to inspire, to give of yourself; is one of the greatest gifts you can provide to the world.

Take the time to Be a Leader, Take initiative, Act with courage and be the beacon for the ones around you. Help in the community, with family and friends, and with your own heart.

Have a wonderful summer Brothers! Smile and give thanks for the ability to have another beautiful day.

Br. G. Daniel Lukowiak
Master of the Lodge
