MASTER'S MESSAGE

Brethren,

As we are still very much experiencing the frigid cold of Winter, we are also starting to see glimpses of Spring on the horizon. It is incredible how a little bit of warm weather can drastically change our mood for the better. Installation season, which takes place in the heart of the Winter, is now officially behind us. Similar to the season of Spring, our attention is geared towards growth and new beginnings, as we welcome Entered Apprentices into our beloved craft.

The month of March is not only the beginning of Spring, but it is also when the celebration of St. Patrick's day takes place. On the surface, the majority of people who observe this day usually associate traditional signs and symbols such as shamrocks & four-leaf clovers, or the folklore character of the leprechaun. You also have the legendary story of St. Patrick chasing snakes away from Ireland.

My favorite thing about St. Patrick's day is seeing people of all different backgrounds & walks of life, coming together in celebration for a day. Freemasonry does the same. At our core, we come together and unify, regardless of Religion, Race, Political Party etc. It is a beautiful sight to see, when everyone is smiling, laughing and enjoying themselves without a care in the world. Just for that little moment in time, we get to truly appreciate each other without the rigors of every day life clouding our happiness.

The color Green is a special color, & it dominates the festivities. During this time, I wish you all Luck & abundance as we transition out of the Cold days of Winter, and into the warm & prosperous season of Spring.

"The Worshipful Wolf"
William J. Sikora III
Worshipful Master
