SENIOR WARDEN'S MESSAGE

“Darkness Exists To Make Light Truly Count” - Ryan O’Neal

Brethren,

First and foremost, I would like to wish you all a very happy and healthy Summer Season! Please enjoy the warmth and relaxation that this season offers us. Enjoy the time with family and friends, visiting new places, and the various opportunities to recharge your batteries. Please accept my humble thoughts for your consideration and contemplation.

As discussed in the previous Trestle Board, the Summer season is when we as Masons go dark. Our Worshipful Master gave us deep thoughts on light and the connections to the season. As we all know, Masonic symbolism and life itself are filled with duality. With that being said, let’s explore the lighter side of darkness.

Life and death, masculine and feminine, hot and cold, the list goes on and on. As we know, nothing is ever as simple as black and white. There are positives and negatives on both ends of every spectrum. It’s almost mind boggling to think about. So how can darkness be positive you might ask?

Darkness can be extremely healing and regenerative. Some may say all of creation begins in the dark. “ In the beginning, God created the heavens and the Earth, and the Earth was without form and void, and darkness was upon the face of the deep”.

Most of us sleep in the dark of night. When in the womb, a child forms and grows in complete darkness. On a macrocosmic scale, planets and galaxies spring forth from the dark vacuum of space. Darkness holds space for light to shine. It is my hope that you take advantage of this Masonic dark period. Refresh and transform yourselves in positive ways my Brothers.

Sincerely and Fraternaly,

Bro. Kyle P. Wadleigh Sr.
